### Memories Memories Memories

High School. Where memories are made. Time spent in classes, on the football field, at assemblies, in the lunchroom and in the halls. Good times with friends. Learning to laugh. Learning to cry. Learning to care. Competing and leading. Meeting new people. Always striving to better ourselves and learning where we fit in the big picture. Exploring interests. Being crazy and care-free. Sometimes an adult. Sometimes a kid. Always a teenager.

Clockwise: 1. And today on Geraldo... 2 Can I have your attention please? 3. Smile, Tifanny! 4. What ARE you doing? 5. Hmmmm... 6. Hawk pride? 7. Kootchy-Kootchy-Koo. 8. Aren't they cute? 9. The latest fashion in eyewear. 10. Student Assembly members say "Heritage is #1!" 11. Who, me? 12. Yeah, I think I have one somewhere in here. 13. Are we really seniors?

Kelly Horonzy, Sharyl Schultz, and Matt Buckley at the dance. 9. Maybe next year they'll find dates. 10. The band rocks the house.

morieSMemorieSMe

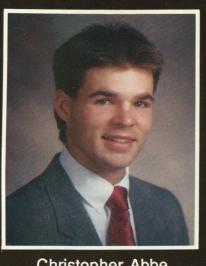

Memories of this year's homecoming may bring a chill to the spine. The week before the football game, students participated in the bonfire, an intense class competition assembly, and the selection of the Queen and her Court. The "Classic Creatures" theme was well-dressed at the annual parade. Held on Friday the 13th (in October nonetheless) it sported floats such as King Kong and Count Dracula. Equally chilling was the Monster Mash on Saturday. You could say it was enough fun to "wake the dead!"

Everyone has caught the Heritage Wave this year thanks to the 1989-90 Pep Club. The have built up that lively Heritage spirit in all of us. The Pep Club planned each pep assembly filled with a lot of enthusiasm, eagerness, and spirit. Each pep assembly kept improving through out the school year. Our Pep Club set up assemblies to introduce the members of seasonal sports, home games, and to give recognition for our outstanding teams that were on the road to District and State games. They put everyone in the mood to win by making spirit signs for homegames and various spirit week events for Homecoming and Prom. Pep club also included a special pep assembly to initiate the brand new freshmen.

Our Pep Club this year has proven to be the most sensational Pep Club we've had in Heritage's two year history. Heritage would like to thank the Pep Club members helping our school catch the Heritage spirit. We're extremely proud of them.

"This year should be exciting and fun", says Heritage High School vocalist Scott Furtaw. The addition of recent choreography the performances has proved to be quite a challenge and the group seems to enjoy the addition of movement to music. Everyone practices meet the demands of a six-concert performance schedule. Getting the job done for the next performance requires teamwork, cooperation, determination. Choir director Cheryl Cheger-Timm says that varsity choir is improving week by week and this year is the best she has seen. The choir hopes to go to Nashville for the Festival Competion in the spring.

#### THE BAND PLAYED ON

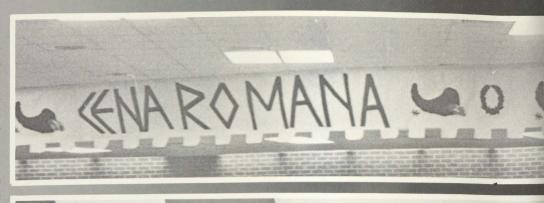

The Marching Band "Stepped off" this year on the right foot with new uniforms. "The uniforms really show pride in Heritage" said Prinicipal Elbert L. Sheffield, "I am very pleased with them." The Marching Band marches and plays at all home football games and most pep assemblies. "The band takes a more active roll at games and pep assemblies than ever before." said Roland Crane. Also the band had the honor of going to Central Michigan University on October 28, 1989 for their annual Band Day. "This years Marching Band learned the drills and songs fast and extremely well." said Director Michael Vierow "I'm proud." Krista Swiss said "That the band adds life, spirit, and enthusiasm, to the home games and to pep rallies," she closed by saying "Thanks for helping the cheerleaders!"

The Latin I and II classes are together in one hour, and Latin III and IV are together also in one hour. Thanks to someone's creativness we still have Latin I, II, III, and IV. So we say Thanks to all who helped keep Latin from being a dead language at Heritage.

Latin is pretty fun after you go through with the slave process. The new Latin student or the person that wants to be in Latin club must be auctioned off and sold to the highest bidder. The price usually ranges from twenty-five cents up to twenty-five dollars, but most of the slaves are sold for under a dollar.

This year they had chairpersons instead of a president and a vice-president. The chairpersons were Jared Boss, Trevor Schmidt, and Mary Veremis. "If anyone has French or Spanish club, It's a lot of fun," said Mary Veremis. Spanish club. It's a lot of fun." said Mary Veremis.

## Leading The Way:

Leadership Style Shines Through

Chad Mersman and David Rifkin change the saying on the large sign at the front of the school.

The Leadership class hard at work

Designed to develop and improve leadership skills through participation in school activities, the Leadership Development class also hosts many events throughout the school year. "Besides being fun, Leadership involves a lot of hard work." said Tony Brenner, a student in the class. "I'm glad I had the chance to be in it. I took the class to get my thoughts and opinions across through school activities and they've been heard."

Day-to-day activities such as changing the large sign outside the school or discussing procedduties; other events including a blood drive, collection for UNICEF, food drive for families in November have been hosted by the leadership class. The remainder of the school year will involve the Leadership class in many projects; plans to sponsor class competition events, elections for Senate and council, and assemblies will keep the Leadership class busy during the coming months.

# Winning their way to college

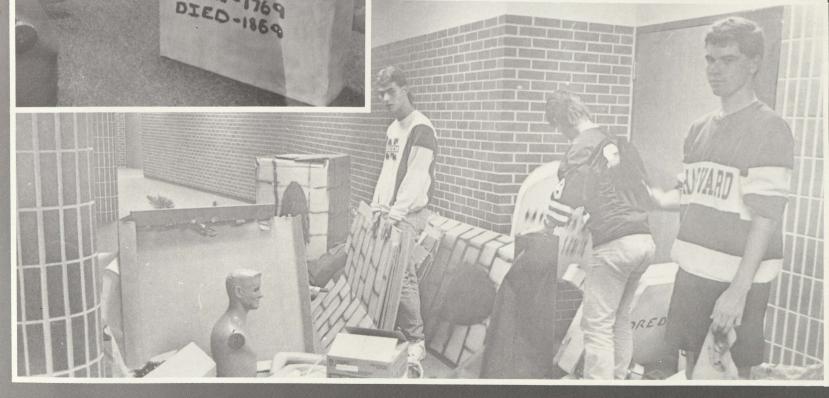

Heritage students who were in business had finally found a way to get scholarships and trophies. They could have joined D.E.C.A. (Distributive Education Clubs of America).

(Distributive Education Clubs of America). First, to qualify for D.E.C.A. one must be in the marketing class, then they had to pass a test on business.

After succeeding in entering D.E.C.A. the students must work to keep their place. As Troy Mauger said, "There was alot of hard work and fierce competition." Yes, competition. The D.E.C.A. members were put in competition against students from other high schools in specific areas of business. This is as schools in specific areas of business. This is as Bill Krystalyn stated, "The purpose of D.E.C.A. is to fulfill and expand the minds of students towards business related skills."

#### The Crew that Leaves You on the Edge

When all your memories have gone the way of the your teenage waist-line, you'll still have the *Legacy* to help you maintain your youth. The staff of eight editors and seventeen diligent workers from grades 10, 11, and 12 worked during classes, after school and into the nights to create a truly unique and worthwhile yearbook.

Legacy staffers are required to be versatile. Each class member is required to sell and design advertising, write exciting copy, order and size photographs, and design pages using MacIntosh computer technology.

Unlike the situation in the regular classroom, there is no provision for makeup work or "down days"; failure to meet a deadline is failure, so the lights burn in room 301 on most Tuesday evenings.

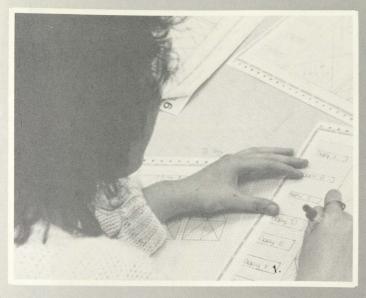

The highlight of this year's operation was the introduction of desktop publishing techniques. Staffers were required to learn how to use a Macintosh computer for setting type and designing pages.

# THE VOICE

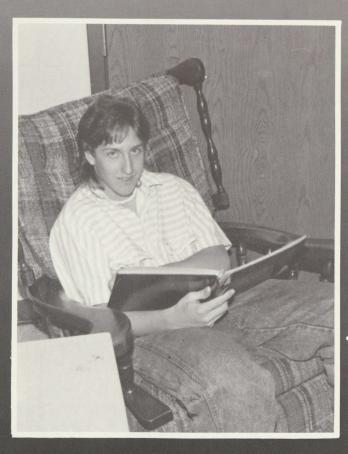

This year's newspaper class went to great lengths to make every issue of *The Voice* better than the one before. Great efforts were put in by Angela Barrera, Brandon Reif, and Laura Menard. These three people stayed extra long hours after school to make sure that Heritage students received a paper worth reading.

This class isn't something you can blow off. Deadlines must be met in order for all eight issues to come out as scheduled. Stories must be researched, written, edited, revised, formatted, then finally laid out. It's not something you can do overnight.

Special additions that could be found in this years papers were Up & Downs, news columns, Sports Spotlight, and Vinyl Meltdown, and Heap of the Month.

Dana doesn't want to hear Laura's advice.

Kris relaxes after a tiresome deadline.

# BOWLING CLUB

Bowl your brains out. Is this the name of a new and wild rock group? No it was the motto of this years bowling club. The club was made up of a small group of individuals who found great joy in throwing balls down an alley. The club was unique for the fact it welcomed anyone to come in at anytime and be a part of something. In result of that it gave students who were not usually involved a chance to take part in extracirricular activities. It was unfortunate, but due to the lack of interest and participation it was the last year for the bowling club."We feel that the loss of our organization will effect the outcome of world history." said Jimmy Larkin(Turkey). World history I'm not so sure of Jimmy, but I'm sure the lack of a bowling club will greatly effect our school.

# DRAMA CLUB

The Heritage High School Drama Club is composed of persons with interests in the field of Drama. Members worked on and supported various plays and projects this year. #### NHS PROMOTES EXCELLENCE

Members of the 1989-1990 National Honor Society

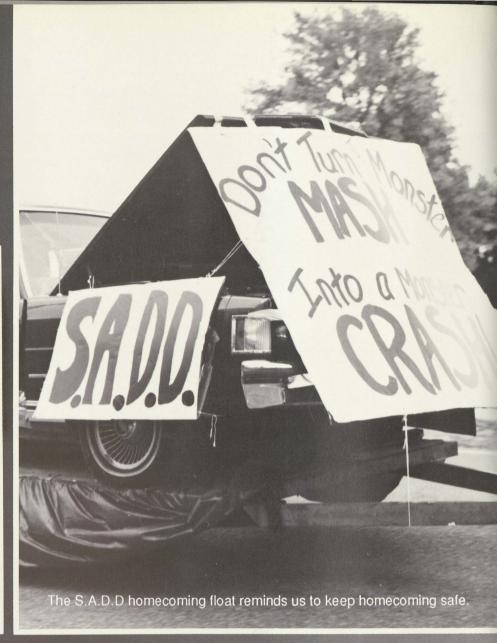

Unidentified Sophomores experience NHS initiation rituals under the careful guidance of NHS members

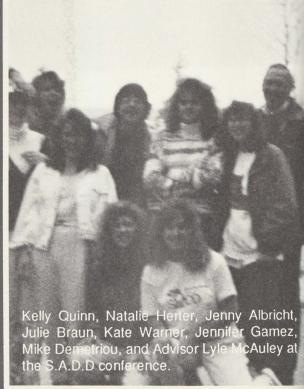

The National Honor Society is an organization which promotes excellence in academic abilities and accomplishments by its members. Comprised of over 170 students in grades 10-12, they must have attained a cumulative grade point average of 3.35 or higher and participate in extracurricular activities to become a member. As inductees, the students pledge to maintain their scholastic standings, strive to be a leader, and give of themselves in service to the community in a candlelighting ceremony held in the fall. After being inducted, the members are able to take part in the many events that the NHS participates in at school such as an annual Halloween party for local elementary students and donating food for the needy during the holiday seasons.

Many people say it won't happen to them. That's probably what one drunk thought before he hit a van and blew up his own car. The occupants of the van were severely injured and the driver of the car was killed.

There is an accident like this, where one person dies every 20 seconds. Drunk driving is preventable and S.A.D.D. is trying to decrease accidents like these from happening again.

Students against driving drunk is an organization much needed, especially in High school. Kate Warner says "We realize the large percentage of students in High School who drink. We are not condoning this but realize teenagers will be teenagers." Jennifer Gamez says "If students decide to drink, we at least want to prevent them from making two mistakes, drinking and driving." Julie Braun said, "We want people to designate drivers if they know they will be drinking that night." Drunk driving is the #1 cause of death among teenagers. S.A.D.D. believes this can be decreased by offering alternatives to drinking and making people aware of the dangers of drinking and driving.

This year's S.A.D.D. chapter met the first and third Wednesday of every month. Their activities this year included: a homecoming float, a red ribbon campaign, a pancake breakfast, attending the state conference, Christmas cards to all staff, candy canes with small messages attached, S.A.D.D. awarness week and a guest speaker. S.A.D.D. members would like to give a special thank you to all the parents, businesses, teachers and administrators who supported them throughout the year. They would especially like to thank their advisors Bob Quinn and Lyle McAuley.

The African American Awareness Club, previously called the Black Studies Club, was formed last year to teach minority students about their black heritage. #### It takes a true "HAWK" to survive in the outdoors.

President Mike Reidel finds that it's not so warm in the woods.

Senior Jeff Klemish claims,"If Chad Mersman plans on participating in the Outdoors Club next year, he should probably get a smaller tent instead of that circus tent." This year's Outdoor's Club participated in some outstanding adventures. One adventure they took was to Grayling State Forest for the weekend. The club members found out that the outdoor's was very cold and even though it was very fun, coming home to a nice, warm house was awesome. It seemed like the club always knew what they are doing, but not this time. They found themselves lost out in the woods and ended up in someone's backyard. Thank god for that or they just might have been late for school on Monday. President Mike Riedel was a great help in organizing the thrilling events. Hopefully, Heritage's Outdoor's Club will always remain that active. And to next year's campers have a great year!

So what if it's Food Club- It's good!

"We are one big happy family and the team works extremely well together." This is how coach Tom Pugh describes the Freshmen Girls Basketball team. Their performances this year was outstanding. The teams ability to pick up skills and learn strategies was crucial to their season. Their final record was 17 wins with only 1 loss. The best game performed by the Lady Hawks was against the Nouvel Panthers. Debbie Danelowicz shot 29 points, which gave her high scorer of the game, and Jeanne Dickinson with 8 points. Defense was dominated by Karen Dice, Lisa Wurtz and Sarah Sobol. This was the last game of the year for the girls and definetly proved to be the best. The final score was Heritage 48 Nouvel 41 . Mr. Pugh felt the girls put their best foward this season and have the potential as seniors to become conference champs. The lady Hawks were coached by Tom Pugh and Tim Conley.

Under coach Kris Johnson the girls JV team had a record of twelve wins and three losses. The defeats came at the hands of Mt Pleasant, Midland Dow and Saginaw HIgh School. The games were close with margins of one to four points determining the outcome.

Coach Johnson said "The key to a winning team is a very tenacious defense, desire, determination and patience. Statistics show the Hawks are a very well rounded team. With the starting five on the court there is an offensive threat at every position. Coach Johnson also stated that with a deep bench there is no problem with substitution, as there is always an offensive threat from every position."

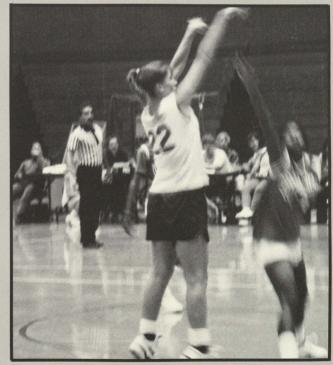

On defense, the Hawks were very sound. With a strong 2-2-1 press, it was difficult for opposing teams to get the ball across the time line.

What technique!!!!!!

"Considering the amount of youth on the team I think we ended up doing quite well." says Justin Bellinger. Quite well indeed with our own Justin Bellinger leading our swinging varsity team right to the regionals snatching first place.

Maybe the amount of youth Justin was refering to was freshman Nick Anagnost who followed right behind Bellinger with a 82.5 season average. Nick wasn't the only freshmen on the team this year. Brian Reeder was carning his varsity letter this year holding a season average of 89. "The good point of having a young team is that we will have most of the boys back next year." says coach Benjamin.

The j.v. team did pretty well also with Jeremy Robertson leading the team with a 47.33 season average. Chuck Bauknect qualified for the most matches, playing at all nine of the meets. At all the meets whether they won or lost both teams showed the Heritage spirit by giving all they had and showing good sportsmanship. Good job guys!

The Boys and Girls Cross Country team has done exceptionally well this year. They have proved to be very tough competition for the other schools in the state of Michigan. Girls Coach, Miss Pam Durand, and Boys Coach Dave Hernden, were very pleased with the teams performance this year.

Heritage girls sprinted past other school to become the White Pine Conference Champions. The boys also had an exceptional season by placing fifteenth in the White Pine Conference and thierteenth in the region.

The season ended in a great success, but the coaches say, "We'll do better in the future". Above all the Heritage High Cross Country program is making a name for itself throughout the state.

Swimmers hard at work.

"It takes a lot of hard work and dedication, but it shows in our team record," said Kevin Klein, senior. The Heritage swimmers really do work hard. They have practice every day including Saturdays, from 5:30-7:00 am and then again at 2:30-5:00 pm. "Swimming is the hardest high school sport," said Casey Thomas, senior. With all the hours of practice, I think we might agree.

### ICERS TAKE ACTION!

The chill of the arena, the sound of sticks on the ice, and the fast pace playing are all things that made everyone of the Heritage Icer's games exciting. This years team was made up of a wide range of players, including many freshman. Players like Senior Matt Salogar, Senior Darin Young, and Junior Nick Iamurri kept the action alive thoughout the season.

The Hawks major games were against teams like Arthur Hill, Midland Dow, and Bridgeport High. The icers worked hard throughout the season to become a winning team. "It was hard work, but it was fun", said Nick lamurri.

"We have been 10 in a row since Scott Clark won Sno King, is kind of like our team saying", said Junior Jared Boss.

Hard work and determination have paid off for the Hawks this year. The season started off pretty slow but it soon gained momentum. Some of the highlights of the season were the beating of Arthur Hill and the win over Buena Vista.

"The team is a family", said Junior Tom Anagnost. Under the head of Coach Terry Boswell the team seemed to improve with every practice. Speaking of practices, everyone would agree that they were the worst part of the season.

Wait a minute-where did the ball go?

BOYS SKI TEAM 5 - 5

GIRLS SKI TEAM 7-2

The boys varsity ski team started out on an uphill note, but as the season progressed they proved otherwise. After winning their first meet at Mt. Holly, the team began a losing streak that lasted four meets. The team finally won, but they continued to struggle for the rest of the season.

One bright spot for the team was the fact that senior Mike Sobol qualified for state competition in March. Another is the fact that other members also contributed to the team by improving throughout the season.

The girls ski team had a 7-2 record and were one of the better teams in the area. Consistent performances by Natalie Herter and Ashley Imers helped the team with a winning season.

### WRESTLING

WRESTLING, YET BY FAR, IS ONE OF THE MOST SELF CONTAINED

SPORTS THERE IS. WHEN A WRESTLER WALKS ONTO THE MAT, THERE IS NO ONE ELSE THAT CAN THINK OR ACT FOR HIM. AFTER A WRESTLER BEGINS HIS MATCH, HE MUST QUICKLY AND ACCURATELY DECIDE THE MOVES THAT HE THINKS WILL WORK BEST ON HIS OPPONENT. ONE WAY TO EARN A VICTORY IN WRESTLING IS TO LOSE WEIGHT. LOSING 15 TO 20

A champion needs will pow er, dedication, and hard work. • Fred Nagel

POUNDS IS A DROP IN THE BUCKET FOR A WRESTLER, BUT THIS IS NOT THE ONLY WAY TO EARN A VICTORY, IT ALSO TAKES A LOT OF HARD WORK AND PRACTICE. ALTHOUGH SOME OF THE GUYS EXTEND THEIR PRACTICE TO SUMMER CAMPS AND FREESTYLE WRESTLING, IT STILL TAKES MORE THAN THAT TO BE A CHAMPION. "A CHAMPION NEEDS WILL POWER, DEDICATION, AND HARD WORK," FRED NAGEL, SENIOR, SAID. AFTER A GREAT DEAL OF HUNGER ALL WEEK LONG, A WRESTLER LOOKS FORWARD TO WEIGHING IN ON SATURDAY MORNINGS, AT INVITATIONALS, THEN CHOWING DOWN. ALL OF THE ENTHUSIASM THAT HE HAS TO FINALLY BE ABLE TO EAT IS SHATTERED BY THE BUTTERFLIES IN HIS STOMACH FROM THE THOUGHT OF THE UP COMING

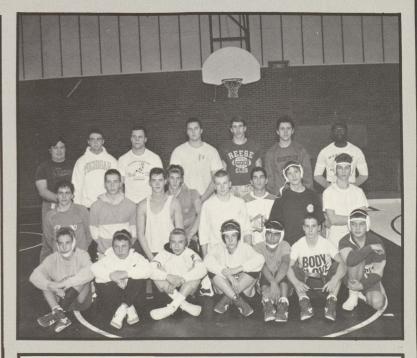

can be tough if you're not seated in the right place.

Jamie Kasper

OPPONENTS HE HAS TO FACE "INVITATIONALS CAN BE TOUGH IF YOU'RE NOT SEATED IN THE RIGHT PLACE," JAMIE KASPER, SOPHMORE, SAID. SEATING CAN MAKE A BIG DIFFERENCE AT AN INVITATIONAL BECAUSE IT DECIDES WHO YOU ARE GOING TO WRESTLE. ALTHOUGH WRESTLERS MAKE MANY SACRIFICES, THEY DONT JUST DO IT FOR THEMSELVES, IT'S ALSO

FOR THEIR TEAM, AND THIS IS WHAT MAKES IT LIVE IN THEIR HEARTS FOREVER.

The 1989-90 cheerleaders are a close knit family. The squad felt it added unity and also a challenge as they began in September and continued throughout February. The squad found cheering for the basketball team more rewarding because they were in much more closer contact with the crowd, and that was a major factor in crowd participation. The squad attended a summer camp held by the UCA cheerleader hey received four Superior ribbons, one Excellent ribbon, the Master Key to Spirit and were named camp champs. Varsity later went on to take first place at the Midland County Fair. The squad will be competing for Regional and State Competitions for first place. The cheerleaders are a very important factor in crowd involvement and H.H.S. is fortunate to have a top ranked squad. The hours are long and it really takes a special type person to not only motivate themselves, but others as well, week after week.

"It was difficult to learn because all three squads had to do it together. That is 52 girls all trying to learn a routine at the same time." said Audrey Carroll. The squad also performed at home basketball games. "We performed at the Saginaw Country Club for half time entertainment during the superbowl." said Mary Colthurst. "They weren't expecting us. The Pom-Pon squad went to John Glenn for their regional competition and placed first. Then later they went to the state level at Plymouth Canton H.S. There they placed third. "I was really proud of the squad. There was a lot of tough competition this year, said Jennifer Gamez. "I believe 3rd for state is excellent. Our hard work really paid off." said Teri Birkmeier.

When asking some of the members of the squad what their most memorable experiences were they said: practices on Saturdays from 8:00 to 3:00 for competition; Missy Wright's and Laura Cline's imitation of Chip and Dale; Teri's break dancing, "get in the kickline" and "you guys be quiet", all of the games, the Christmas party(cake in the face), wild thing, and competition.

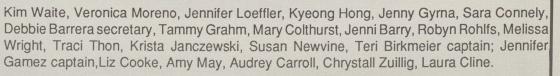

The girls worked very hard this year and had a lot of fun being on the squad. They were coached by Pam Barrera "She pushed us to do the best we could everytime we practiced and performed." said Krista Janczewski. The captains this year were Teri Birkmeier and Jennifer Gamez. The secretary was Debbie Barrera and the treasurer was Krista Janczewski.

## LEADERS

The administrators at Heritage High School perform a variety of tasks in addition to their assigned jobs. Besides taking care of thier administrative duties, these principals aid students in school-related projects, open jammed lockers, watch the lunch line for people who "cut", and enforce discipline throughout the school. Without such dedicated leaders, our school would not be able to continue its tradition of excellence.

The White Pine Council is an organization that was created to improve the relations between the schools in the White Pine Conference. council from Heritage consists of five representatives and one advisor. This year's representatives are: Anne Marie Weadock, Trevor Liddle, Jim Lear, Megan Royal, and Andrea Larsen. The remaining five schools also have five representatives and one advisor. The Student Assembly and the Leadership class have been super busy in the past month. With the visit of Nationally known Mark Sharenbrach, the Student Assembly and the Leadership Class caught the Boomba-Hey spirit and fit it into their sucessful Hartley Leadership seminar. The seminar, Nov. 10 and 11, was beneficial, giving birth to long term goals, specific objectives, and many, many applicable ideas for the Student Assembly, the Class Councils, and other leadership bodies.

Following the Hartley seminar was the food drive. All of the proceeds went to the hospital Hospitality House of Saginaw for the Thanksgiving Holiday. Heading up this "Food for Friends" food drive, the Leadership class provided donuts and cider to the 1st hour class room with the most food items, awarded class points, and gave out gift certificates to the biggest donators.

Along with many activities, such as the food drive, the Student Assembly is striving toward many goals: the most student involvement possible, more recognition for students creating a more democratic method of decision making, and better understanding between students, faculty, adminstration, and the community. Students frequent the store during their lunch hour.

The school store became a reality for Mr. Call last year, but as he left, to take a job in Farmington Hills, the question of whether or not the school store would remain open was left a mystery. That mystery was finally solved as Mrs. Johnston took over his position. Now after a few changes the store is as profitable as ever. Staffed by the Marketing II students before school and during lunch hour, they sell a variety of things such as sweatshirts, jackets, posters, candy, and the ever famous slush puppies. All of the profits that are made are used to repay the loan needed to start this project. Future goals include paying off the loan and possibly expanding the number of products offered.

## : Hats off

Mr. Donahue and Mr. Billiter wear their favorite hats.

Mrs. Douglas looks sporty in her baseball cap.

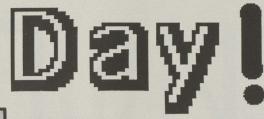

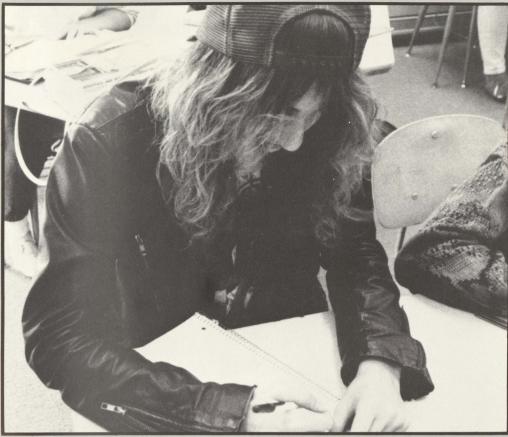

In the military already?

Where is your friend's hat?

# to Hat Day!

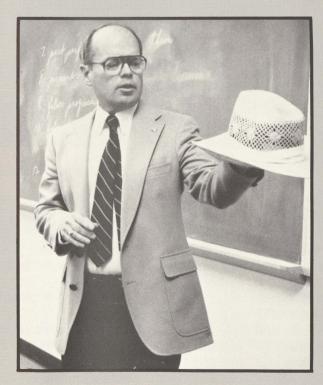

Steve's hat adds to his wardrobe.

Hats in this school are a no-no. But on one special day during Spirit Week, students and faculty members were allowed to showoff their favorite headwear. As you can tell from the pictures on these pages, there were a large range of hats worn on HAT DAY. From baseball caps to sombreros to berets- we saw (and wore) it all.

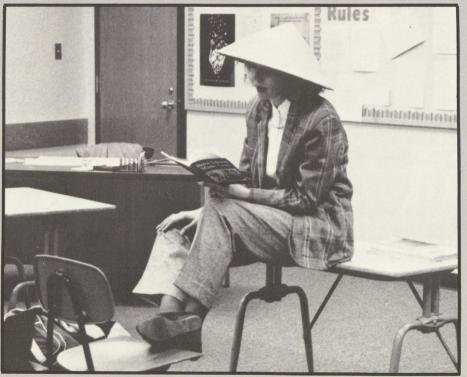

Maybe someday hats will be permitted in the school everyday and not just for special occasions.

Yeah right!!

Mr. Matson tells where he got his hat from.

Nice Hat!

# SINO

Jenni Conley - You know I'm bad!

Ooops!

Mark Colby goes down for the count as he slips during the obstacle course.

As a cold snap hit the Saginaw area, with the Sno'ball dance and crowning of the second annual S'no Place Like this year's first Sno' King, Scott Clark. Heritage winter festival began. During January 16th and 17th, activities for class competition points took place. The festival started on Friday with a competitive snow sculpting contest. Saturday morning there was a pancake breakfast sponsored by S.A.D.D. and later that day Fun Fest, a fund raiser for carnival than last year, primarily due to the the clubs and classes of the school was freezing temperatures and lack of snow. held. Also that day there were indoor Hopefully next January's weather will take intramural volleyball tournaments and a turn for the better and make next year's

"It was fun" said Anne Park, a sophomore, "but it would have been better if more people would have gotten involved.". Brian Roeder, also a sophomore said "It wasn't that great, it was more fun last year!"

Fewer people participated in the outdoor relay races. The festival ended carnival much more enjoyable.

# MUCH FUN

We did it!

Just a couple more feet! cry Brian Roeder and Jackie Kerns

Anne Park must feel like a sack of potatoes as she competes in the obstacle course.

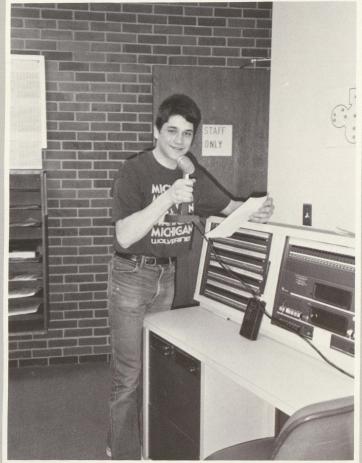

### WINNING TEAMS

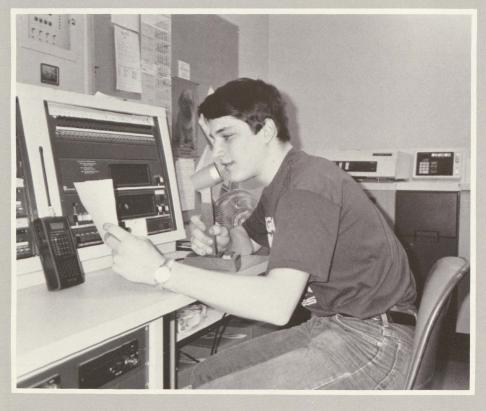

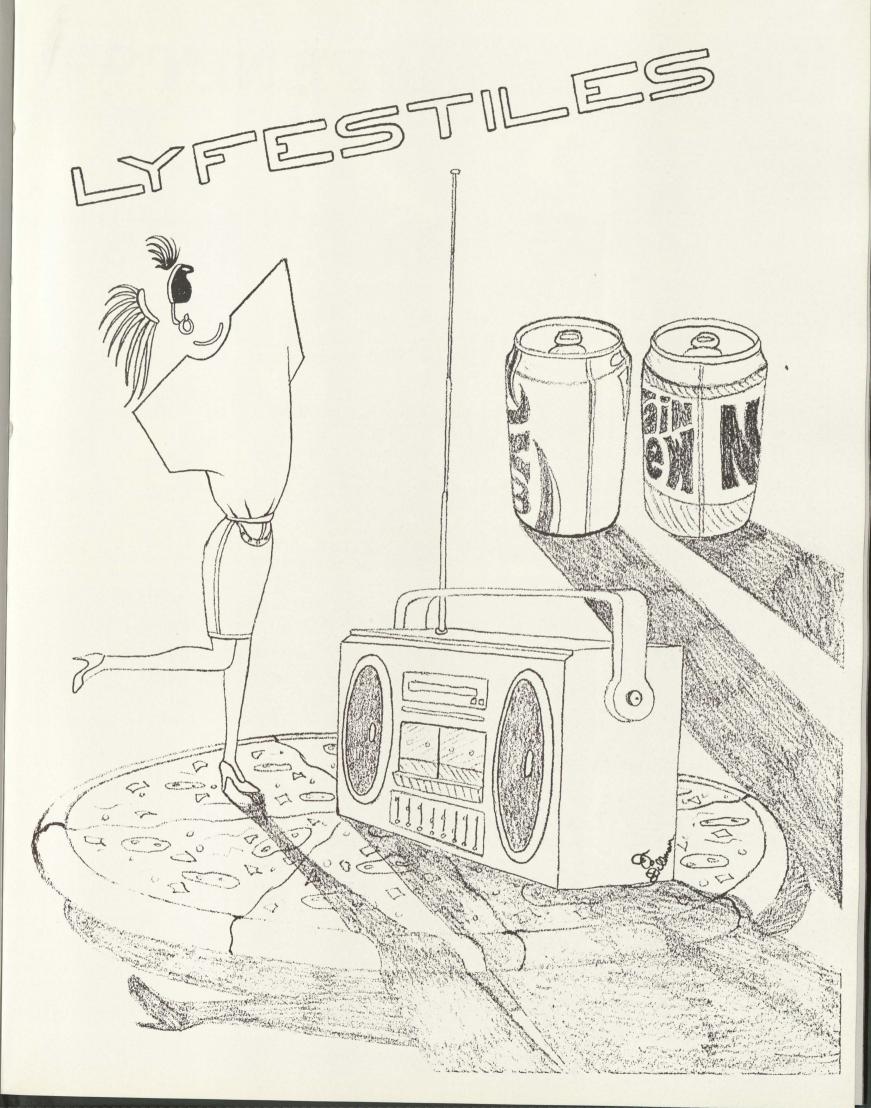

# "And the forecast today..."

was a commonly heard phrase over the loud speaker this year at Heritage. The weather forecast this year was brought to the students and staff daily by Brian Feldman. His unique outlook and predictions gave the morning announcements a new twist.

## WHAT'S HAPPENIN'??

★ It always seems like our Heritage guys have trouble keeping their clothes on, but this time they had a good reason. Winter Carnival this year was very victorious for these naked senior guys. This class of studs won the Winter Carinval Relay Events, and they had very much fun doing so. The boys were so hot and so exhausted by this event that they decieded to cool off by taking their clothes off. The Seniors had alot of fun and wish that the underclassmen could give them some real competion next time.

Just a couple of students hanging out in the halls between classes, or are they? Guess what they are doing? Maybe they are SKIPPING? No, they wouldn't do that at this school, would they? They are just using school property to have some good old fashion fun. Heritage wasn't filled with just hard work and studying this year. Students always seemed to be able to find time to have some fun.

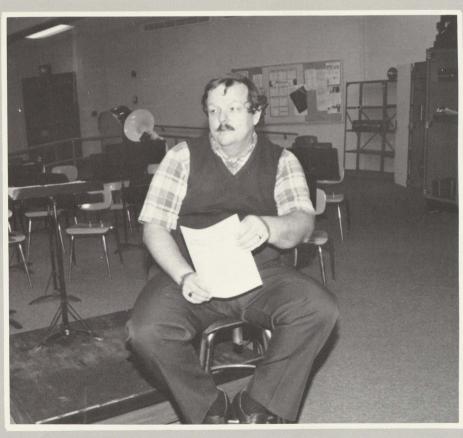

- ↑ There seems to always be time for a teacher to sit down and take a break but is there ever time for a student to sit down and rest? Never! Band class this year had many good instructors and leaders to help to make our band just awesome for the home football and basketball games. People made themselves out to be strong leaders. We all know that Heritage leaders are all a plus to our society.
- ▶ Why does Heritage Junior Erica Mitchell look so surprised? She obviously got caught in the act of doing something very sneaky. Everytime we turn around a Hawk is being caught for something. Everytime we walk out a classroom, someone asks us for a little green pass. We can't get away with anything! Oh, what about the time someone let the dog in? They found that person within seconds, and then "busted". Yep, that's what he was, it seems like we always get caught for the little things we do. Darn!!

♠ Smile for the picture! Andy Ahn decides to just sit around, relax, and enjoy the atmosphere in his Jamacian hat. Relaxing seems to be a Heritage thing especially when Spring Break comes around and there is absolutly no time for in anyone's schedule to do anything but relax and plan for their trips south.

# Popular Groups:

The king of the rappers— L. L. Cool J— pose backstage after the Soul Train music awards. Pictured left to right are Bobcat E. Love, Cut Creator and L. L.

Bobby Brown has arrived. He split from the New Edition in 1987 and developed a distinctive style that made his frist album an immediate hit.

## The Best of 89-90

<u>Bon Jovi</u> is popular not only here in the United States but also in Russia. Members of the group, shown in this photo, met with Jan Inenkov of the Russian group Gorky Park before a two-day concert in Moscow. The jam at Lenin Stadium benefited the fight against drug and alcohol abuse among youths.

Milli Vanilli, the European dance-soul duo, hit the United States with their first two singles on the top of the charts. The two who comprise the group are Fab Morvan, left, who grew up in France, and Rob Pilatus, right, who is from Germany.

The hot group 10,000 Maniacs has been together for many years, but the five-member group really hit the charts this year. The group, hailed by critics as innovative and diverse, has been together since 1981, when the members met at Jamestown (N.Y.) Community College.

# What's Happening

It was the worst oil spill in U.S. history. The Alaska oil spill occurred on March 24, 1989 when the oil tanker Exxon Valdez ran aground in Prince William Sound. A total of 11 million gallons of crude oil covered the area and created an environmental nightmare for both humans and animals.

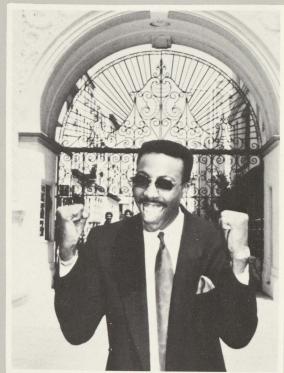

In late May and early June, tens of thousands of Chinese pro-democracy protesters gathered in <u>Tiananmen Square</u> in Beijing to seek political change. Their protest ended in a massacre. Government soldiers, using tanks and automatic weapons, ended the protest by killing and wounding thousands.

At 5:04 p.m. on October 17, the earth shook in northern California. An earthquake that measured 7.0 on the Richter scale destroyed parts of Oakland and San Francisco and surrounding areas. More than 60 were killed, hundreds were injured and the damage topped \$2 billion.

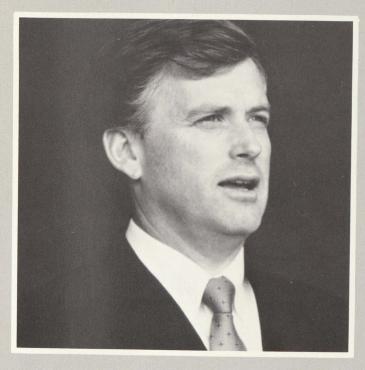

# Around The World

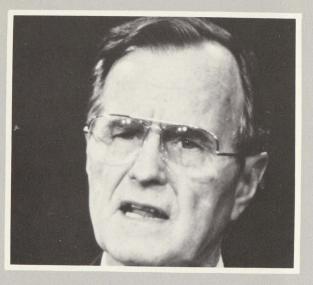

Here she is, <u>Miss America</u> 1990 Debbye Turner. The 23-year-old veterinary student from Mexico, Missouri, is the third black woman to become Miss America in the pageant's 68-year history. (Miss America 1984, Vanessa Williams was dethroned and the first runner-up, Suzette Charles, also black, replaced her.)

Arsenio Hall starred in the film "Coming to America." His syndicated late night talk show "got busy" earlier this year.

<u>Dan Quayle</u>, the man chosen by George Bush as his running mate, took office with the President this year.

<u>President George Bush</u> took office this year after defeating Gov. Michael Dukakis of Massachuetts in the November, 1988 election.

## When school's out, these seniors really go to work.

And that's because they're part of the Michigan Division Co-op Program, where they are expanding their high school education through real work experience in career areas of interest.

At Dow, we feel that education is important to personal growth and success. That's why we support educational programs and opportunities both inside and outside of school. The Co-op Program benefits everyone involved ... students, educators, and the Michigan Division.

We understand that the future depends on quality education and talented individuals. And we value the opportunity to meet and work with these students as they prepare for the future.

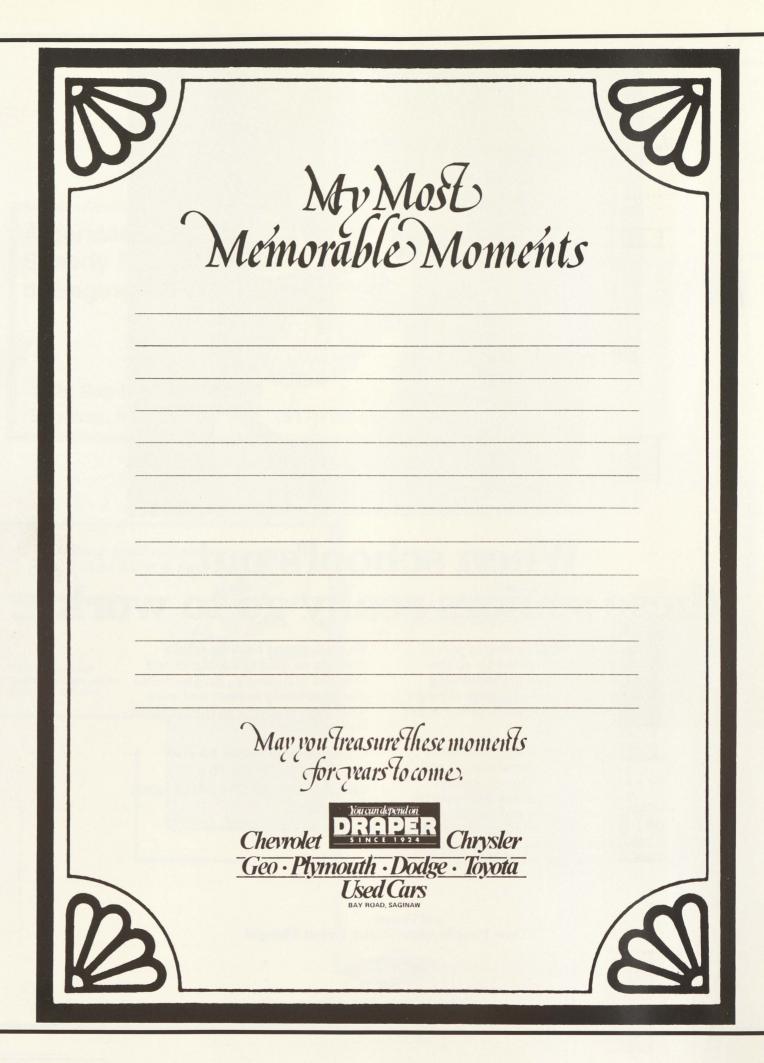

Congratulations to the graduates from the employees of the Michigan Division!
